Remember to bring blankets & pillows back today	Vovinam and Gigglebytes	Ultimate Dance &Tumble		Take home and launder blanket & pillow – return on Monday

We will be scheduling parent conferences Jan.24<sup>th</sup> through Feb 4<sup>th</sup>. Sign-up sheets are available outside the rooms this week if you would like to have a conference with your child's teacher.

Many of you have asked about outdoor play during winter and inclement weather. During extreme cold or wet weather, we play in a large indoor room with balls, hula hoops, and other toys. The children will still get exercise, but if we feel conditions are unsafe they do remain indoors.

Please make sure your child has a change of clothing (including undergarments) at school. If they have to use the extra set, please remember to bring a new change of clothes the following day. Some students have only short-sleeved shirts and shorts as their spare outfit. You should check to see what clothes you have and make sure they are seasonally appropriate. If anyone has clothing they wish to donate for "emergencies" we are particularly in need of items for girls. Thank you!

## This week in 2's....

Theme: I Love America

Bible Story: Jesus' First Trip

\*We'll talk about America and the colors in our flag. We'll enjoy red and blue bananas and applesauce this week. We will be learning about different ways we travel and playing with all types of vehicles.

## This week in 3's....

Theme: Dinosaurs

Bible Story: Adam Names the Animals

**\*We are going to be making dinosaur eggs this week. We will make fossils as we learn about dinosaurs and fossils. The children will learn about positional words such as *over, under, on, and behind*. We're looking forward to making and eating Stegosaurus Sandwiches!**

## This week in Pre-Kindergarten....

Theme: Dinosaurs

Bible Story: Jesus Taught People about God

\* Parent teacher conferences may be scheduled beginning Monday the 24<sup>th</sup> through Friday, February 4<sup>th</sup>. The conferences are *completely optional!* If you would like to meet with your child's teacher regarding the mid-year assessments that were sent home, please sign up on the sheet outside of your child's room.

We are excited to learn about dinosaurs this week! We will be exploring different types of dinosaurs, creating a T-Rex mouth, making Stegosaurus names, and digging for dinosaur fossils! We will also be learning more about the letters P and Q as we explore different items that begin and end with these sounds. In math we will try some beginning subtraction activities as the children learn how to combine sets and then remove objects from the set. Don't forget your A item for share day on Friday!
